# Missouri River Conservation Districts Council

*The Missouri River Conservation Districts Council (MRCDC) invites you to tour the impacts of wildlife and fire management on private and public ground, the effect they have on one another, and discuss potential improvements that can benefit all in north Garfield County and the Charles M. Russell National Wildlife Refuge (CMR).*

**July 7th, 2010**

Meet at 9:00 AM at the VFW Hall on Main Street in Jordan, MT

## Schedule of Events

9:00 Introductions and an overview of land management issues

9:45 Tour leaves Jordan and heads north of Brussett to:

- Visit the John McKeever Ranch & the CMR Refuge to view a grazing allotment. You will be able to see how the fire has effected the range, hear lessons learned, and discuss future management options or goals.
- Portions of the salt cedar infestation encircling the Fort Peck Reservoir. See how this vast infestation is expanding at an alarming rate.

Lunch will be provided in the field

3:30 Tour returns to VFW Hall for concluding discussions
